## *Precautions re Weed Seeds, Threshing Machines and Combines*

23. (1) Every person in possession or in charge of any machine used for threshing or for cutting and threshing shall, before removing such machine or the wagon racks or any part thereof to another farm, thoroughly clean the machine both inside and out by the removal of all seeds and other crop refuse, and cause the wagon racks used in connection with such machine to be thoroughly cleaned and swept immediately after threshing.

24. A legible card containing the provisions of subsection (1) of section 23 and this section shall be kept posted in a conspicuous place on all machines used for threshing or for cutting and threshing, when in operation, and shall be furnished free by the secretary treasurer upon application.

26. No person shall for a period of more than five days leave exposed or unprotected, at or near any place where grain has been threshed, screenings containing the seeds of noxious weeds, nor shall any person place or leave exposed or unprotected, except in a securely constructed building or other closed container, any matter containing such seeds without having first destroyed the germinating qualities thereof.

This Card is to be posted in a CON-  
SPICUOUS PLACE on the Combine or  
Threshing Separator and instructions  
thereon followed as directed by "The  
Noxious Weeds Act, 1930."
